presents

A Step Through Timelines

Fiona Brooker

Fiona Brooker is a professional genealogist who has been actively researching her family history for over 30 years, inspired by two marriage certificates and a collection of family letters written from New Zealand back to her immigrant ancestor's family in Devon. Looking for a way to share family recipes with others she discovered digital scrapbooking and has used this as a way to preserve both the present and the past for the future.

Wednesday 6th July

7.30pm ZOOM
