

# GARRAWARRA HOSPITAL

## Waterfall, NSW

### Some Burials and Cremations

A Compilation by

Max Bernard Negel

The Hospital was built in 1909 and until 1913 was known as the Hospital for Consumptives. From 1914 to 1957 it was known as the Waterfall State Sanatorium for Tuberculosis,, then became a Centre for the Aged..

Burial or Cremation dates are taken from previous Headstone Transcriptions by Mrs M. E. Bailey in October, 1981, Mr. Don Bailey of Helensburgh, a compilation by Carol and John Herben in May 2000 and a compilation and the adding of some funerals of persons who were not buried in Garrawarra General Cemetery, Waterfall by Max Negel in July, 2006

Any occupation, address or note in the church records is included.

Parents', spouse's or mother's maiden names may be from the headstones, the Church Records of the Anglican Church of the Holy Redeemer, Helensburgh, NSW, the CD's of Indexes of the NSW Registry of Births, Deaths and Marriages and are not necessarily correct..

The Records of Burials in now missing and this Compilation is by no means a complete record of burials.

The Cemetery at Garrawarra is very overgrown and has been ravaged by bushfires.

Access is discouraged by the Hospital..
