

HARS Aviation Museum Tour Thursday 20 April at 10.45 am

Our next excursion is a 90-120 minute guided tour of historic aircraft and HARS museum at Albion Park. Meet at HARS at 10.30 for a 10.45 start. If you arrive early you can have a coffee at the café while you wait.

At HARS, we have people from all walks of life. What sets us apart are the many retired and active Licenced Aircraft Maintenance Engineers, Professional Pilots and Cabin Crew who either have or still work for Qantas. We are dedicated to Australian aviation history, and our collection of flying, under restoration and static display aircraft is testament to that. "Not bad for a bunch of old people".

Bookings: \$25 per person **non-refundable**, payable at time of booking. Book and pay online www.botanybayfhs.org.au (**link on Events Page**) or at the Research Centre.

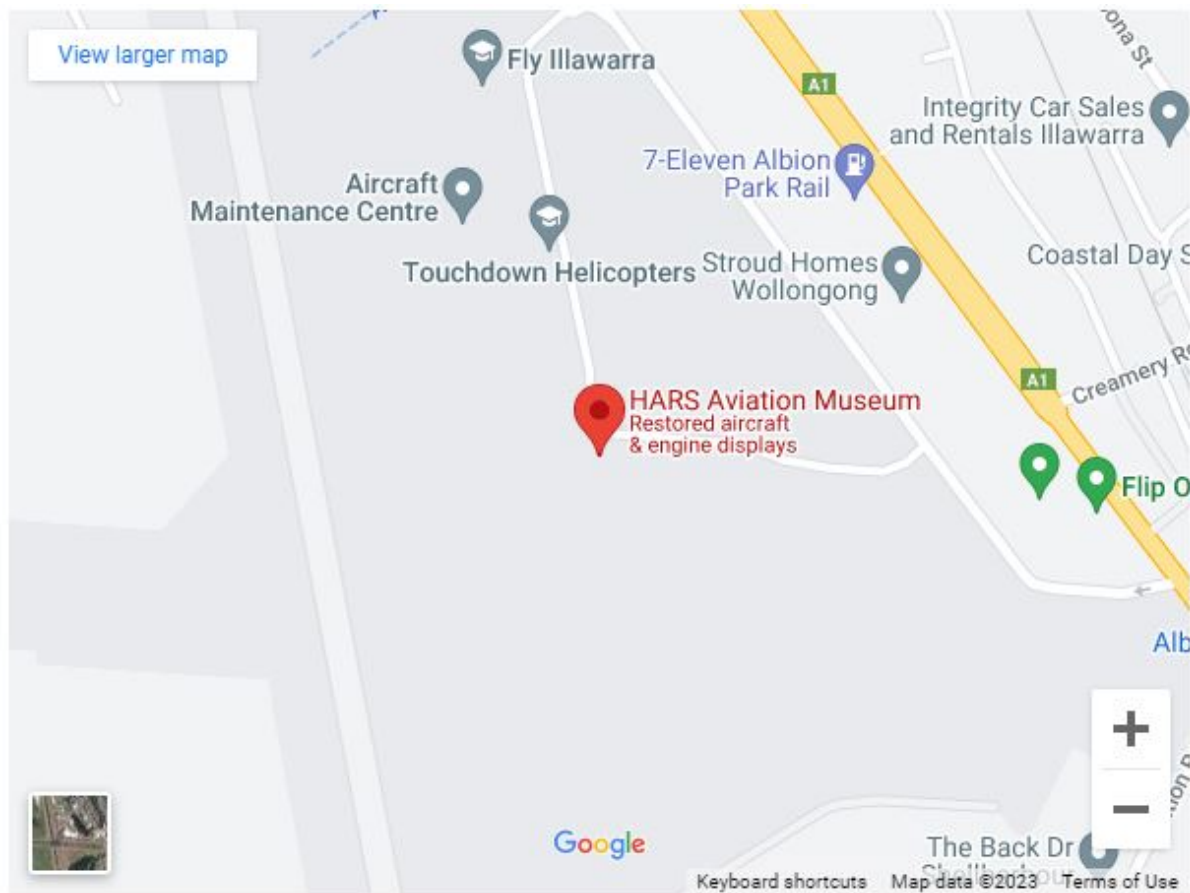

Location: 54 Airport Road, Shellharbour Airport, Albion Park Rail NSW 2527, Australia

By Road from the Shire: At the bottom of the Mt Ousley descent you have about 20 km to go. At Albion Park you will have a large round-about and be looking right down the runway. After several hundred meters turn right at the traffic lights and you have arrived. Some friendly advice to those not used to driving this road. Please obey speed limits. It is easy to find yourself cruising faster, and this road is well policed.

By Rail

There is an hourly train from Sydney to Albion Park / Albion Park Rail. The journey takes about two hours and is most enjoyable. From Albion Park Rail, turn West, cross the highway at the lights and follow the road around the airport. You can see HARS from the highway – it is about a 10 – 15 min easy walk.

<http://www.sydneytrains.info/>

Lunch at Café Connie (open 10.00-14.00) at own expense.

Café Connie: Illawarra Regional Airport, Corner of Boomerang and Airport Roads, Albion Park Rail, NSW, Australia, New South Wales.
