

Research Centre Update

Update on Research Centre Closure from Jennie Fairs, President

We've decided to re-open on Friday, 9 October with the proviso that restrictions are not reintroduced between now and then.

- We will be open on **Mondays and Fridays only**, from **10am to 12 noon**; then **1pm to 3pm**.
- Researchers will have to book in for one of the sessions; morning or afternoon.
- With Social Distancing, we are permitted only seven people in the room at one time, which includes the Centre Volunteers. This information is to keep our members informed of future events.
