

Family History Botany Bay

MIKE TRAYNOR

OUR ANCESTORS' VOYAGES

A SEAMAN'S VIEW

SATURDAY JUNE 13TH
1.30PM

PORT HACKING COMMUNITY CENTRE HALL
184 GANNONS RD, CARINGBAH SOUTH

Mike Traynor navigated the oceans and seas of the world on merchant ships before becoming a maritime educator with NSW TAFE, the NSW Maritime Authority and Sydney Ferries. Mike is the president of U3A Wollongong and speaks throughout the Illawarra to anyone who will listen to stories about ships, the seas and those who sail on them. The family history research that he has done has given him a fascination for the sea-going journeys of his forebears and the ships they sailed on to reach Australia.
All aboard to share his stories.

Stay on for a cuppa and chat following the meeting.

Visitors welcome
