

15 August 2024 – Bus Trip to State Records Kingswood

A research trip to State Records at Kingswood is planned for this date. Numbers are limited so it will be necessary to book and pay to reserve your place. Please go to link on Events Calendar page of website. Cost is \$20.

On receipt of payment, organiser Margaret Heaton will confirm further details but the following is preliminary information.

The bus will leave the football field parking Rawson Avenue (Old Princes Highway) Loftus promptly at 8am followed by second pickup at Bangor if required. On the return journey the bus will depart promptly at 3pm.

There are tea and coffee making facilities at State Records but no shops close by, so participants should bring own lunch or alternatively we may be able to pre-order from the Subway menu.

An information morning will be held at the Research Centre on 30 July which will include details for pre-ordering research items. Please confirm by email whether you wish to attend such a session and include [State Records Trip Info Session](#) in the header. Details will be emailed to you or check the website and ENews.

The state records website have several short webinars which will help you find your treasured documents.
