presents

# Lesley Potter

**Mindful of the Mayhem**

**The Midwives of Parramatta Female Factory**

**Wednesday MAY 1st**

**7.30pm**

**ZOOM Meeting**

**Lesley is a registered nurse and midwife who has worked in various Sydney hospitals experiencing management, education and clinical areas as well as co-authoring a number of publications and editing "No longer silent: Voices of 21st century nurses."**

**Currently she is an honorary archivist helping preserve the history of nursing at the Australian College of Nursing.**

**Lesley's focus now is on the history of nursing, midwifery and the health care sector - particularly of the colonial period..**
