

## PUBLICITY REPORT

Publicity has continued much as in previous years. What I do is extended by Pat Fearnley on the website, Jean Campbell and Stephanie Bailey with eNews, Noele Watkins on Facebook and Elizabeth Steinlein through the NSW & ACT Association of Family History Societies and I am grateful to them for the added exposure.

I am always looking for and open to suggestions of further avenues to explore to widen our audience and raise our profile. We have had a wide variety of speakers to promote which has made designing flyers more interesting. As always talking to people is the most effective promotion. Continue spreading the word.
